

At St. Paul's, the Parent Organization of the Day School (PODS) is a volunteer organization run by the parents of the day school. The success of PODS is based on your involvement. Through our volunteer efforts we create a vital partnership that benefits our children, as well as, our wonderful and dedicated staff.

Throughout the school year, PODS sponsors a variety of programs, events and fundraisers for Day School Families. Participating in these activities provides a wonderful opportunity to meet other St. Paul's parents and form a stronger tie to your child's school.

If you have not already done so, please complete the PODS Volunteer Form indicating which activities you might help to organize or attend. We are looking for families to share their gifts and talents to help make our school even more amazing.

We ask all school families to include a \$10 PODS Activities Fee with their registration. This fee will be used for fees associated with the teacher luncheons and other programs in lieu of collecting monies at multiple times during the year. We hope this will be a convenience to parents

The completed forms and/or your \$10 can be returned via your child's backpack or left in the PODS mailbox in the office.

Follow us on Facebook and look for emails coming to you about upcoming events throughout the year. Feel free to email us with questions, concerns or suggestions. PODS is only as good as it's volunteers and participants. Thank you for your support!
