

## Before Care and After Care for St. Paul's Day Students 2020-2021

**These programs are available for students enrolled in St. Paul's Day School & Kindergarten.**

### Before Care:

Parents and families may drop children off at school as early as 7:30 until 8:30 AM. Children will meet in the Guild Room and may bring a light breakfast with them each day.

St. Paul's Staff will supervise the rooms and provide children with the opportunity to transition from home to school in a nurturing, warm environment. The teachers will escort all the students to their classrooms at the appropriate time.

### After Care:

This program will begin at 2:30 or 3:00 PM depending on the age of the child and conclude at 6:00 PM. **All children must be picked up by 6:00 PM.**

Children should bring in a light snack to have upon arrival and then they will have the choice to participate in open-ended, developmentally appropriate experiences. Children should come to school with weather appropriate clothing. Outdoor play is a regular part of the school curriculum and extended care programs. If weather does not permit outdoor play, the children will have opportunity to run, ride bikes/scooters in the Bike Room. All children will be supervised by qualified St. Paul's Staff.

*Payments are due the first of each month beginning on September 1, 2020*
