

St. Paul's Day School will offer the following afternoon enrichments for our 3- and 4-year-old classes for the school year 2022-23. After their morning class students will stay for lunch, have a brief rest time and then enjoy their enrichment. *Please note enrichments are only available on days that your child is already signed up for class.*

Enrichment car line pick up is from 2:25-2:30 pm.

Monday – Art Appreciation

Children learn about great artists such as Paul Klee, Monet, and Van Gogh through books and pictures. A variety of mediums are introduced including pastels, paint, craypas and shape cutting, building fine motor skills and giving students the opportunity to make their own masterpieces.

Tuesday – Discover Spanish

Students are exposed to Spanish through songs, puppets and pictures. They enjoy books, art projects, learning new songs, and storytelling in Spanish.

Wednesday – Adventures in Science

Students learn about the world around them using hands-on experimentation and their own natural curiosity, dabbling in a variety of disciplines including astronomy, nature and physics. Science vocabulary words such as observation, theories, and predictability are introduced.

Thursday – Mini-Mathematicians

Math skills are supported through games and activities that encourage patterning, sorting, counting, and balancing. We encourage students to understand the power of numbers, weights, measurements and shapes in their daily lives.

Friday – Storytelling on Stage

Fun stories such as fairy tale classics are read to the children and then the class works together to bring the story to life “on stage.” This enrichment fosters a love of reading, stimulates imagination and introduces students to the dramatic arts.

Registration & Payment Information

- Each enrichment class (including staying for lunch) costs **\$1,025** for the year, to be paid in ten equal payments.
- Please return this form by **Wednesday, April 20**. Sign up is for the entire year and space is limited. Priority registration will be given to current families.
- Confirmation regarding placement will be sent back the week of April 25. If your child does not receive the class requested, he/she will be placed on the waiting list.
- Payment #1 is due upon confirmation of placement. Payment #2 is due on June 1 and payments #3-10 are due monthly beginning in August, along with regular tuition.
- Withdrawals must be made in writing and a fee of \$25.00 will be applied.

Please return the below form by Wednesday, April 20.

Child's name _____ Grade level (2022-23) _____

Parent's name _____ Cell phone _____
