

Before Care 7:30-8:50 am & After Care 2:30-6:00 pm

We are happy to offer a Before & After Care program to those families that may need extra coverage for their children. Before & After Care begins after the start of school on September 18, 2023 and is only available to children in the **threes and older**.

Before Care

Children may be dropped off as early as **7:30 am** and they may bring a light breakfast. Students will enter through the red doors closest to the playground. Teachers will escort students to their classroom at the appropriate time.

After Care

The **After Care** program will begin when the student's school day has ended and they should bring a light snack to have upon arrival. Weather permitting the children will play outside for part of the time on our expansive playground. Students can be picked up any time **before 6:00 pm**. Parents must park and enter the playground or building for pick up.

Registration & Payment

Students can stay all five days, or any arrangement that works best for your family. Registration for Before & After Care is completed [online](#). After August 1st, 30 days' notice is required to make any changes to your child's before/after care schedule as changes may affect our staffing. Drop-in requests for care on days your child is not pre-registered must be made at least 2 school days in advance of the date care is needed and cannot be guaranteed; requests will be granted based on availability.

Before and After Care is billed monthly from September to May.
