Registration for  
Extended Care &  
Enrichment Classes  
will open in Spring

*\* Before & After Care: Our recommendation for students in Full Day 3s who also use extended care is to limit their day at SPDS to a maximum of 8 hours.*

*\*\* Enrichments will run as afternoon compliments to half day morning programs a maximum of three days a week; Fours students receive priority enrollment in Enrichments in the Fall before opening it up to those in half day Threes programs.*
